HKIS Volleyball Team – 1st Runner up in both the Men's and Ladies' competitions

Team Captain: Nathan Lee

After a year of practice with our volleyball team, the "3rd World War" began on 2.12.2012. Jointly with the HKIA, the LawSoc, the HKMA, and the HKIS, our female team ignited the fire. Since two of its players were injured during practice, six of them had to play the games without any replacement. It was very harsh and exhausting for them to play the game continuously. After a series of vigorous games, our girls were still standing firmly on the court and struck for every chance to defeat their opponents.

On 16.12.2012, the war continued. Our male troops faced strong teams from the other three organizations and each mark was difficult to gain. Our boys used their skills, talent, and tactics to hit the volleyball onto the other team's side of the court and win several sets.

With high team spirits and willpower, both the male and female teams performed very well in the games and each

achieved a 1st runner-up standing. Thanks to Team Leader Nathan Lee and the HKIS's support to make our teams' efforts a success. We are so proud of the results and will work harder for the championship next year. Any member who wants to try out for our teams can feel free to contact Sport Committee Chairman, Lesly Lam, or Nathan Lee via e-mail at lesly.lam@gmail.com or nathanlee@hkis.org.hk.
