

Land Surveying Division Chairman's Message

Sr Dr Lesly Lam LSD Council Chairman

Encouragement to Surveying Students – Ex-President's visit to undergraduate students

On Sunday, 8 March 2015, the graduating land surveying students of the Department of Land Surveying and Geo-Informatics ran a whole-day land boundary re-establishment field survey in Shui Hao Village, Lantau. Each group of five students had to re-establish an Old Schedule agricultural lot boundary and prepare to present their results to a professional panel, including the Senior Land Surveyor of the Training School and delegates of the HKIS's Land Surveying Division, in April. Together with our Vice-chairman, Sr Dr Conrad Tang, who was the students' lecturer, Mr Wong Chung-hang, Past President, visited the site and coached these young future surveyors with expert tips on land boundary surveying.

The Singapore Institute of Surveyors and Valuers (SISV), Land Surveying Division's Visit

On the evening of 27 March 2015, Mr Loi HY, SISV LSD President, and council member Mr Chua KG, SISV LSD CPD Committee, visited the HKIS. SISV is actively seeking collaboration with foreign institutes and wanted an opportunity to further discuss this issue with the HKIS. During the meeting with the LSD Council, the two sides exchanged ideas on collaborating on CPD programmes and development opportunities. Both councils will keep in contact over this matter.

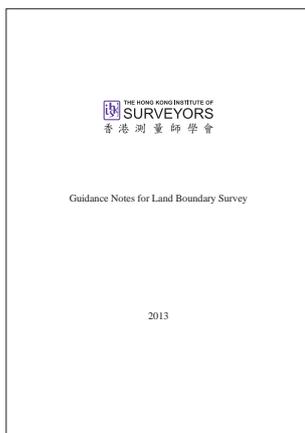

HKIS Guidance Notes for Land Boundary Surveys – for reference by the real estate industry

The HKIS promotes professional, high quality, and ethical practices for surveyors covering issues relating to real estate development, building and construction, facilities and property management, housing and land supply, town planning, green and sustainable development problems, etc.

Through this connection, the LSD will send the latest version of the *Guidance Notes for Land Boundary Surveys* to practitioners in the real estate industry for their reference. The Guidance Notes deals with surveying principles and sets the standards for conducting land boundary surveys in Hong Kong. A copy may also be downloaded from the HKIS website at www.hkis.org.hk.

Monthly Happy Hour Gathering

The third happy hour gathering will be held (re-scheduled) on Friday, 17 April 2015. We have the honour of inviting Sr Joseph WONG (LSD) and Sr Nathan LEE (BSD) as our guest speakers. They will discuss the topic of “我要做老闆”. Sr Wong is the Director of Land Marker (1980) HK Co, Ltd, and an authorised land surveyor (ALS). Sr Lee is the Managing Director of Ample Surveyor Services Limited. Both will share their experiences in managing private surveying companies, as well as the roles of “young” private practice surveyors in Hong Kong.

LSD Contact Points

If you have any view on the work of the Council, please feel free to send it to the Hon Secretary at lsd@hkis.org.hk or to me at lesly.lam@gmail.com. We shall keep you in close contact with the Council and seek your views and support for a better LSD.
