

Sr Dr Leung Tony Ka Tung

I feel honoured and grateful to have been elected HKIS President for 2018–19. They are big shoes to fill and therefore I expect to have a very busy schedule, but I will dedicate myself fully and spare no effort to get things done. My heartfelt thanks go to my predecessor, Sr Dick Kwok, who made every effort to take the Institute that extra mile. I will continue in a similar direction, with an additional push on what we have laid out, i.e. further expanding networks in the Greater Bay Area and along the Belt and Road. 2019 is upon us, and I sincerely hope that members will remain cohesive, harmonious and united in continuing to build a strong and professional image.

Engage, Mentor, Growth and Connect

I take my hat off to the dedication of outgoing President Sr Dick Kwok, members of the General Council and Executive Committee and the Secretariat who ushered HKIS through another good year. Looking forward, we'll continue to uphold those four key pillars — Engage, Mentor, Growth and Connect. We'll go even deeper and further by organising various activities such as career talks and volunteer activities with the aim of nurturing young people to become the next generation of surveying professionals. In the meantime, it is my aim to cultivate a sense of belonging in the Institute among our members and to motivate the younger generation to be involved in what we do. Thus, the mentorship

programme will play a pivotal role. In addition to increasing the membership, we also strive to promote the Institute to the public in order to enhance a professional image of surveyors in the hearts of our fellow citizens.

Celebrating our 35th anniversary

A task force formed last year is responsible for rolling out a series of celebrations in 2019. I contributed in the capacity of Organising Committee Chairman and worked with the team this year (2018). Given my new role as President I have delegated my responsibility to Sr Dr Lesly Lam, currently Chairman of the Land Surveying Division. A quick glance at our plans indicates that an official cocktail party will be held on 26 April 2019, with founding members, past presidents, local and overseas counterparts, government officials, members and guests invited. The Institute will organise a number of celebratory activities to mark this milestone with the theme and slogan "Building a Better Tomorrow with Surveying Excellence". Building on our past, we will undertake innovation and continue to progress in various areas of sustainable development, using our professional knowledge to contribute to the sustainable development of Hong Kong.

Green light for next edition of Create Your District Competition

Riding on the success of the Create Your District Competition at Wan Chai this year (2018), we have already confirmed the programme for next year (2019). We are still in the early stages of ironing out such aspects as designating the district and enlisting sponsors. We have covered the districts of Central, Sham Shui Po and Wan Chai in the past, so we need to look for another good choice. This year there was an overwhelming response from the public and from sponsors like the Urban Renewal Authority,

who greatly appreciated the programme rundown. Chief Secretary for Administration Matthew Cheung Kin-chung, GBM, GBS, JP, also supports this kind of district development activity involving young students creating their own new thinking for a sustainable district such as Wan Chai, making it a more liveable place.

Setting a new direction

Our annual half-day retreat programme is scheduled for 26 January 2019 at the World Trade Centre Club in Causeway Bay. As usual, all Office Bearers and General Council members will gather to brainstorm and explore the overall direction for the Institute as well as to consider future development. Apart from channelling resources to promote Belt and Road and Greater Bay Area opportunities in the long term, we hope to train more new blood to join us and participate in the Institute's work. It is also vital to strengthen our external connections in order to prepare ourselves for the new opportunities and to elevate the Institute's professional status in the international community.

Sr Dr Leung Tony Ka Tung
President

我 很榮幸能夠獲選為 2018 - 19 年度香港測量師學會會長，在此衷心感謝各會員對我的信任。會長一職，任重道遠，我將竭盡所能，不負重托。上任會長郭岳忠測量師在過去一年帶領本會邁步前進，我代表學會謹此致謝。未來一年我將盡力落實學會的各項計劃，包括把握大灣區以及「一帶一路」帶來的機遇，加強與海內外的同業和組織聯繫。新年伊始，我期望本會上下一心，和諧相融，為提升行業的正面和專業形象而努力。

測量傳承

感謝剛卸任會長的郭岳忠測量師、上一屆理事會和執行委員會成員以及秘書處同僚，盡心竭力為本會工作，成績有目共睹。來年(2019年)我們將繼續以「測量傳承」為發

展方向，積極籌辦不同類型的活動，如職業講座和義工活動，啟發年輕一代投身測量專業。與此同時，我將致力加強會員和年輕人對本會的歸屬感及參與度，師友同行計劃將發揮關鍵作用。除了招收更多新會員，我們將加強向外推廣測量專業，期望能在社會大眾心中加強測量師的專業形象。

慶祝創會 35 周年

本會去年(2018年)成立工作小組，專責籌備 2019 年的周年慶祝活動。我於 2018 年擔任籌備委員會主席，與各成員緊密合作。我既已擔任新任會長職務，現委派土地測量組主席林力山博士測量師處理籌委會的工作。我們初步計劃將於 2019 年 4 月 26 日舉辦創會 35 周年酒會，並邀請本會的創會會員、前會長、海內外同業、政府官員、會員和一眾嘉賓出席。本會將以「測量卅五載 卓越建未來」為主題，舉辦一系列慶祝活動。秉承以往，我們將努力創新，推動學會在各方面持續發展。同時運用專業知識為香港可持續發展出謀獻策。

舉辦 2019 年地區發展創作比賽

去年「細看社區歷史 構建『你』想灣仔」地區發展創作比賽取得空前成功，我們現已確定 2019 年比賽的初步計劃，但具體細節如比賽的主題地區及贊助機構仍有待落實。我們在過往的活動已覆蓋中環、深水埗和灣仔，今次需要尋找一個新地區。去年的比賽得到公眾和市區重建局等贊助機構的熱烈迴響。政務司司長張建宗，大紫荊勳賢，GBS, JP 亦表示支持有關地區發展的活動，認為比賽鼓勵學生發揮創意，用全新的角度構建他們心目中的理想社區。

訂立新方向

我們將於 2019 年 1 月 26 日在銅鑼灣的世貿中心舉辦半日退修會，一如以往，各組織的代表和理事會成員將出席會議，集思廣益，探討學會未來發展方向和計劃。長遠來看，我們除了要投放資源發展「一帶一路」和大灣區的相關項目外，亦要努力培育測量行業的新血，鼓勵年輕一代參與本會事務。同時我們亦要加強與海內外的同業及組織聯繫，為迎接新機遇作好準備，提升學會在國際社會上的專業地位。
