

**International Property Valuation Conference
16 to 20 October 2005
Xian, China**

China Institute of Real Estate Appraisers and Agents, FIG Commission 9 and the Hong Kong Institute of Surveyors will jointly host the International Property Valuation Conference from 16 to 20 October, 2005 in Xian. The conference will provide a forum for academics, practitioners and policymakers in the theme of **“Property Valuers Fronting the Triple Bottom Lines of Economic, Environment and Social Conflicts”**.

In addition to paper sessions covering current theoretical and applied research, the conference will feature special panel discussion sessions on Education of Valuation Professionals, Environmental and Ecological Influences Effecting Use, Value and Demand for Real Estate, Valuation for Taxation and Statutory Compensation, Organizations of Valuers and Appraisers in Emerging Markets, issues in China and rest of the world. There will be also Chinese paper sessions in the program and there were over 50 papers already arrived. Further details are as follows:
