# Get your boat license

You only need to answer multiple choice questions in examinations.

To enjoy boating with Self driving and Close encounter with the great diversity of waters in Hong Kong, Cruising around islands, Making new friends, or Soaking oneself into softly sea breeze onboard your craft, and Relax in a way of your personal style. What about a Jetskiing around Lantau? or a Visit to some secret sea caves in Sai Kung? even Perform some tricky tricks to your friends of your Wake Surfing! then you must first to get your own boat license, so that you are allowed to drive pleasure crafts like yachts, wakeboard boats, jetskis and motor sailboats etc. in Hong Kong.

The official name of this license is called “Grade II Pleasure vessel operator certificate”, once you have this license, you are allowed to operate a pleasure craft up to the length of 15m (49.5').

The Grade II license examination is included 2 parts; Part A (master) is the knowledge of seamanship, navigation lights, rule of road, etc. while Part B (engineer) is the general knowledge of engine. The examinations are held by Hong Kong Marine Dept., Government Dept., normally 1- 2 times of examinations per week. You are only required to answer 40 multiple choice questions in each part of examinations, the passing rate is 70% .

We have been offering the training course for the examinations of the above license for over 15 years, our goal is to train our clients to pass the examinations and getting the license efficiently.

Our Courses are designed to focus on syllabus of the examinations, with the updated mock questions and unlimited practise, participants should get the certificate efficiently. Our goal is to train our clients to pass the exams. at their first attempt. We are appointed by the major boat clubs in Hong Kong as the instructor of their pleasure craft license courses, and also the course instructor for Leisure and Cultural Services Department (LCSD, the Government Dept.)

We run courses for the examinations, each part last for 8 hours.

Please visit our website [www.anmboating.com](http://www.anmboating.com) or scan the QR code for course details.

The following course offer and arrangement are especially for your Institute:-
