Dialogue with Under Secretary for Transport and Housing

I attended the Dialogue with Under Secretary for Transport and Housing held by the office of Sr Tony Tse, Legislative Councilor representing our Functional Constituency, at the Legislative Council Complex on 12 August. It was truly a fruitful conversation which successfully evoked constructive discussions related to the current transport and housing issues in Hong Kong.

Meeting with SIP President

On 22 August, I had a meeting with the SIP President to explore some collaboration opportunities among us and most importantly, to plan a joint SIP-HKIS (PDD) Planning Forum to be held in Singapore in the coming November. While the SIP will share with us Singapore's latest planning strategies, we will also exchange planning concepts in the Lantau Island reclamation, Hong Kong Greater Bay Area planning, as well as planning in other major

Chinese cities like Shanghai and Guangdong. Stay tuned for more details of the forum!

Dinner with PQSL Speakers

With the help of our experienced members who volunteered to be the speakers of our PQSL programme, all the five PQSL courses have been successfully held in the past two months with very positive feedbacks. To express my sincere gratitude towards their continuous support, I invited them to a dinner. We all had a great time and I hope we can keep providing such high quality training to our future PD surveyors.

Other than enriching members' technical knowledge, to help student members and probationers plan their career ahead, we will also organise a Career Talk with Link REIT. Details will be announced in the coming week.
