Sr Dr Lesly Lam LSD Council Chairman

HKIS Land Surveying Division Annual Dinner 2019

The LSD's Annual Dinner was successfully held at the Watermark Restaurant in Central on 18 October. Given Hong Kong's current situation, the LSD was extremely grateful for a smooth and calm night so that all guests could enjoy it, along with a spectacular sea view.

Thanks to Sr Jenny YUEN, the Chairlady of the organising committee, and her devoted

young surveyor helpers, the attendees got to spend time with good friends and enjoy great food, free-flowing wine, and a drinking game and competition. Thanks also go to the President, Office Bearers, Division Chairmen, an honourable guest from the Legislative Council – the Hon Tony TSE Wai-chuen, BBS and Liaison Office – Mr Lo, Mr Lee, Mr Fu, and the Institute's fellow surveying institutions. The LSD especially thanks over 100 of its members who came to support their division. Last, but not least, it thanks the sponsors for helping to make the dinner a truly great event. Everyone looks forward to another one next year.
