## Stanley Invitation Cup 2021

The HKIS Dragon Boat Team competed in the Stanley Invitation Cup 2021 held on 14 June (Tuen Ng Festival) at Stanley Main Beach. It was honoured that Sr Edwin Tang, HKIS President, was in attendance to support the team in the Open Division competition with seven other strong squads on that day, during which it achieved second runner-up after three rounds of intensive racing!

I take this opportunity to express my utmost gratitude to the team leaders – Sr Sunny Wong, Iris Mak, and Camman Chan – for organising trainings for their crew and arranging the on-the-day logistics. Thanks also go to the entire team for exerting enormous effort during its trainings and the competition, especially given the Covid-19 pandemic.

I was so happy to see new team members joining the competition and am sure that all participants, myself included, enjoyed the day and are proud of the team's accomplishments.

Although the Stanley Invitation Cup 2021 has concluded, the team's trainings will continue to prepare for its next match. It still seeks new members regardless if they are amateurs or experienced dragon boaters.

If you are interested in the sport and camaraderie that comes with it, please feel free to contact the team leaders for more details. All are welcome!

### Clean Shorelines Campaign in To Tau Wan, Ma On Shan

This was the first social service conducted by YSG in 2021 and attracted an overwhelming number of HKIS members. Even though the weather was hot on that day, it did not prevent members from joining this outdoor and meaningful activity.

Members first gathered outside the beach for a short briefing before dividing into small groups for the cleanup. Tongs, sieves, gloves, and large rubbish bags were provided for them to pick up trash such as glass bottles, cigarette stubs, and plastic utensils.

Towards the end of the event, there was a sudden shower that forced the volunteers to quickly bring their filled rubbish bags to the refuse collection station. Then they rested and chatted under a big shelter while waiting for the rain to let up. It was great to hear them discuss their enjoyment of the event and interest in joining more community services like this in the future.

Stay tuned for YSG's next event. It looks forward to seeing all of you again soon!

### Social Event: Pottery Workshop

**(Reported by Sr Candy Ho)**

Three pottery-making workshops co-organised by YSG and Mudheytong Gallery were successfully held on 29 May, 5 June, and 6 June.

Every workshop attracted a full-house. (A huge thank-you goes to all registrants!) During the sessions, participants made their own pottery artwork in a relaxing atmosphere. YSG will contact them to collect their products when they are ready.

YSG was elated to receive positive feedback from participants and will organise more workshops like this for members in the future.
