## HKU Surveying Society Inauguration Ceremony

YSG was delighted to attend the inauguration ceremony of HKU's Surveying Society, AS, Session 2023-2024, at the Rayson Huang Theatre on 29 March. YSG Vice Chairman Sr Leonie Chan and Honorary Secretary Sr Aaron Cheng exchanged ideas and insights with the newly-inaugurated Surveying Society members and honourable guests from HKU's Department of Real Estate and Construction, Royal Institution of Chartered Surveyors (RICS), and Hong Kong Construction Association Young Members Society (HKCA YMS). It was an enjoyable night to celebrate these young, devoted surveying students' big moment and YSG is delighted to see them commit themselves to serve the surveying profession.

YSG thanks HKU SS for its unlimited support throughout these years and will continue to strive to connect its younger members and students.

## YSG Social Event: HKIS YSG X RICS Matrics Joint Institute Social Drinks Gathering

It has been a while since YSG's last social drinks event, so it and RICS Matrics jointly organised the very first post-Covid joint society drinks gathering on 14 April at The Code in Central.

Over 100 participants from the two young professional groups joined this event to meet other young surveying professionals. Participants took the opportunity to share their experiences and relax after work/school.

## Dragon Boat Race

The HKIS joined the Dragon Boat Race on 2 April for the Buildings Department Invitation Cup 2023 organised by the Kwun Tong Dragon Sport Association. This competition attracted dragon boat teams from various government departments and professional institutes. The HKIS Dragon Boat Team won 2nd runner-up in the silver championship, which was a great honour for the whole team and a reward for its hard work.

The next competition will be one of the biggest dragon boat races to be held during the Dragon Boat Festival on 22 June 2023 in Stanley. In order to prepare for this year's championship races, the HKIS team began a series of practices. Members who are interested in becoming one of its paddlers, drummers, steersmen, or cheerleaders should contact Ms Iris Mak (Tel: 9702 2092) for more details. All are welcome!

## Instagram

Since the launch of YSG's official IG account on 11 February, it had attracted over 420 followers by mid-April. The launch has been a great success and I thank all beloved members for their support. If you have not yet followed YSG on Instagram, please search "hkis.ysg" there or simply scan the QR code below.
