Thanks go to the 2022-2023 Committee for its unconditional support for and contributions to YSG during its first year after the pandemic was brought under control. With things returning to normal, some in-person events were held over the past year including CPDs, study tours, and our annual dinner.

I take this opportunity to express my gratitude to Immediate Past Chairman Sr Wilson Ko for his leadership throughout the year. I look forward to working with the incoming YSG Committee to organise more events for younger members. Thank you everyone who attended the AGM and I hope to see you at YSG's future events!

#### YSG Annual Dinner 2023

YSG's Annual Dinner returned for the first time since the pandemic! This year, it was held on 28 October at Neptune's Restaurant, Ocean Park. Over 150 participants dressed in Y2Kthemed costumes shared in the festivities during this momentous night.

The event received great support from YSG's student members. Before the dinner started. game booths were set up by representatives from CityU, HKU, PolyU, and THEi. Two PolyU students emceed the dinner. YSG was delighted to see the participants enjoy the games and win tokens to exchange for snacks and cocktails.

During the dinner, participants joined in the stage games and drinking challenge to compete for bigger prizes. An exciting lucky draw with more wonderful prizes concluded the evening. Congratulations go to all winners!

Last, but not least, thanks go to the dinner's sponsors, General Council members, supporting organisations, past YSG chairmen, and all participants for supporting the dinner. Without their support, this year's Annual Dinner would not have happened.

YSG hopes that everyone enjoyed the night and looks forward to seeing more familiar and new faces next year.

### CPD Event: Dialogue with Secretary for Housing

A meeting with Ms Winnie Ho Wing Yin, JP, Secretary for Housing, on the topic, "Insights into the Development and Future of Public Housing in Hong Kong," was held on 4 November. Over 150 members registered for this CPD.

Ms Ho opened the event with an address, which highlighted the importance of housing in creating vibrant and liveable communities. The event was divided into three sessions, namely:

- 1) The Development of Public Housing in the Next Ten Years
- 2) How to Help Hong Kong Citizens Buy Homes
- 3) Innovative Technologies and Artificial Intelligence Applications in Construction Project Management

During the final part of each session, panellists raised questions and hosted discussions with Ms Ho on various issues related to each session.

Overall, the event offered invaluable insights into the challenges and opportunities Hong Kong faces regarding housing. The event served as a platform for knowledge-sharing, collaboration, and the identification of the best practices to guide future policies and actions in the city's housing sector.
