

# Hong Kong Surveying Profession in Greater Bay Area Opportunities and Challenges for Advancing Net Zero Project and Property in Technological Era

Themed "Hong Kong Surveying Profession in Greater Bay Area: Opportunities and Challenges for Advancing Net Zero Project and Property in Technological Era", the 2-day Conference will deliberate the journey of advancing net zero emission, delve into the unique challenges of decarbonisation in the Greater Bay Area and drive an integral part of a wider systemic shift towards a more sustainable built environment. Towards total sector decarbonisation, surveying professionals shall advocate for a holistic approach to sustainability in an innovative way.
